**Please read the following information about your access to Flintshire County Council's library WiFi access. Logging your device on to the library WiFi is understood to indicate your acceptance of the terms of use set out below:**

- \*Please ask at the library counter for access to WiFi. You will be asked for your library membership card or for proof of your identity with proof of address.
- \* You will need a wireless-enabled device with internet browser. Staff are not able to set up WiFi access on your device for you.

You should then enter the Username and Password which will have been provided to you. Your session will last until 15 minutes before the library closes, unless you ask for a shorter session. Flintshire County Council cannot guarantee that a WiFi connection will be available or that it will be continuous for the duration of your session.
- \* You are solely responsible for the security of your device and should ensure that appropriate security software, e.g. anti-virus, is installed on it. You are advised that internet access via Flintshire library WiFi is not secure and that it should not be used to transfer financial and other personal or confidential information. Flintshire County Council can take no responsibility for any loss or damage arising whilst your device is accessing the library WiFi or is on library premises.
- \*You must not knowingly violate the security of the Flintshire County Council network, introduce or transmit a virus or contravene licensing agreements or copyright law. Flintshire libraries are not licensed for the viewing of live television transmissions.
- \* WiFi internet in Flintshire libraries is filtered to prevent access to some kinds of material which may be considered inappropriate in a public environment. However no guarantee can be given that all inappropriate material will be blocked. You must not use the library WiFi connection to obtain, display or distribute material which could be considered obscene, offensive or abusive, or knowingly use the library WiFi connection for any illegal purpose.
- \*It is not possible to print via the WiFi connection.
- \*Your device should only be plugged in to a library power socket with the permission of a member of library staff. You should ensure that the power lead does not present a safety hazard to other library users or staff. Flintshire County Council takes no responsibility for any loss or damage which may occur whilst a device is connected to the library power supply.
- \*Flintshire County Council Library and Information Service reserves the right to terminate the customer's WiFi session at any time on grounds of inappropriate use or behaviour and to refuse WiFi access indefinitely thereafter.
